

This set of standards represents the Author's Translation of the Russian version of the Gazprom 9000 Corporate Standards done by the corporate author of Red Star Consulting and Petrocert Association, the developer of STO Gazprom 9000.

The Gazprom 9000 set of standards includes:

STO Gazprom 9000 – 2006	Quality Management Systems. General provisions and vocabulary
STO Gazprom 9001 – 2006	Quality Management Systems. Requirements. Part I. General requirements
STO Gazprom 9001 – 2006	Quality Management Systems. Requirements. Part II. Specific requirements
STO Gazprom 9011 – 2006	Quality Management Systems. Guidelines for assessing QMS

To receive your copy of the Gazprom 9000 set of standards, please complete the Purchase Order form on the next page and send to:

GP9000@redstar-consulting.com or to our fax + 7 8182 46 28 85.

To: Director General
PETROCERT Association
Mr. Mikhail Zakharov
